

Location Map

DRIVING DIRECTIONS

The school is surrounded by roadworks at present, making access difficult.

The best route coming from Doha is:

1. Turn right at Qatar University traffic signals towards West Bay Lagoon
2. Turn left at roundabout outside entrance to the Lagoon, entering the roadwork one way system
3. Follow road around as it bends to the right
4. **Either:**
 - Take 2nd left and 1st right to reach front of the school (drop-off and pick-up only – no parking)
 - Or:**
 - Carry on straight. Turn left in to parking area immediately after the contractor's yard. The school is straight ahead of you, on far side of the parking.
